PINEY RIDGE ELEMENTARY SCHOOL'S TENTH ANNUAL SCIENCE FAIR

The PTA will be sponsoring Piney Ridge Elementary School's Tenth Annual Science Fair on Friday, November 6, 2009. The fair has gotten bigger and better each year! Students interested in participating will be asked to demonstrate or share results of an experiment that they have done at home to visiting scientists. If you are interested in participating, fill out the registration form below and return it by **October 12, 2009**.

There are two methods to register for the Science Fair this year. The preferred method is by sending an e-mail to Jeremy Cooper at jeremycooper2009@hotmail.com. The alternate method is to fill out the registration form below. If registering by e-mail, please be sure to include the child's name, T-shirt size, teacher, phone number, and project question (use the form below as a guide).

Once you e-mail Jeremy or fill out this form, you are registered in the science fair. After you register, look on-line at the PTA website (www.pineyridgepta.net) to receive an information packet which will include experiment guidelines and information that you will need to share with our visiting scientists.

All students are eligible to participate. For more information please see the PTA web site at www.pineyridgepta.net. Parents, if you have any questions please contact Jeremy Cooper at 301-471-2644 or jeremycooper2009@hotmail.com.
